PROFESSIONAL SKILLS ACQUIRED

I have skills in the field of electrical systems and basic electronics. I had a short experience in the kitchen of a restaurant and then I specialized in sales (*including cash management*) and in the relationship with customers at "**Manor**" and "**Manor Food**".

PERSONAL CHARACTERISTICS

Personal experience, initially differentiated in various sectors and then specialized in that of sales, has developed in me a great spirit of initiative, problem-solving ability and the ability to communicate and relate to people. I consider myself reliable, available and flexible to the needs of the job.

PERSONAL SKILLS

Social Ability to work in a team and deal with customers, sales oriented.

Organizational Skilled in planning small jobs and managing a team of people, including apprentices

Technical Management of electrical live systems, knowledge of various regulations and differences between electric cables/wires. Very skilled and intuitive in the use of new IT and electronic technologies. Very skilled in searching for information on the net and on IT systems.

IT Skills Good knowledge of Microsoft Office package, Windows and small website development.

LANGUAGE SKILLS

| | |
|----------------|------------------|
| <u>Italian</u> | Native language. |
| <u>French</u> | Native language. |
| <u>English</u> | Fluent |
| <u>German</u> | Discreet spoken. |

HOBBY AND PERSONAL INTERESTS

| | |
|---------------------|---|
| <u>Games</u> | Team video games where coordination and communication are also required. |
| <u>Model-making</u> | Radio-controlled and miniature models. |
| <u>Mechanics</u> | Micromechanics, precision work ability with parts even smaller than a millimeter. |

NOTE

| | |
|------------------|---|
| <u>Domiciles</u> | Despite being original and "Patrizio" of Losone (TI), I lived for 7 years in Italy, in Rome, where I attended kindergarten and started elementary school, then continue to Muralto. I have been living in Switzerland since 2001. |
